SUSAN WORRELL

1954-1986

"I thank my God upon every remembrance of you" (Philippians 1:3) Mrs. Susan Worrell was more than just a teacher to her colleagues and students who knew her. She took special time to become personally involved in the students lives. They came to her for support, advice and encouragement. For all these reasons, the yearbook staff would like to dedicate the 1986-1987 Trojan Epic to Mrs. Worrell's memory. She will be greatly missed but never forgotten. To all those who knew her, we can be truly thankful for the time, even though it was short, that we had with her.

THE BEST OF TIMES
FALL HOMECOMING

Queen Kim Barents
King Todd Brown

The theme for Homecoming '86 was "The Best of Times." The ceremonies began with the queen candidates traveling around the track in 1985 Sunbirds from Schofield Brothers. They were received one at a time by their escorts and then they proceeded out on the field to await the exciting moment ... Kim Barents and Todd Brown were honored as King and Queen for the evening. The crowning was done by the Varsity Football Cheerleaders. After the ceremonies were concluded our Trogans defeated the Clearwater Indians 41-28!

CROSSING NEW HORIZONS

The cross country team did an outstanding job this year. The boys went to state again, this time ranking 11th in the state. This is one place better than last year. Mrs. Bayer said that the boys did a "super job" and that their "record speaks for itself." Two other boys were chosen for league. Those picked were John Peckham and Bill Martin. Coach Bayer commented that the girls were "strong at the end." She also stated that they did a good job at regionals which was a good race for them. They placed fourth, missing the chance to go to state by only a couple of points. All in all, Mrs. Bayer was pleased with the results of the cross country season.

"This is the Time" was the Winter Homecoming theme for 1987. The gymnasium, adorned with red and silver balloons, was the center of attention on this Valentine's Day affair. The candidates for King & Queen were: Trojanette Donna Woodall escorted by basketball player Layton Strong, Trojanette Lori Williams escorted by basketball player Matt Georing, Trojanette Christy Sanders escorted by wrestler Bob Lawrence, and basketball Cheerleader Rita Bagby escorted by basketball player Steve Brummer. Later, a Valentine's Day-Homecoming Dance was held in the commons area where King Bob Lawrence and Queen Lori Williams led the dance to the evenings theme song.

COACH OF THE YEAR TERRY ALLEY

Upon completing his thirteenth year of coaching, Andover's Terry Alley was named the Kansas 4A Coach of the Year. Chosen by the Coaches Association, the decision is usually based on the team's state finish, so considering Andover's fourth place finish Coach Alley was surprised and delighted. As the strenuous season came to an end, Alley was pleased with the results and proud of his wrestlers.

"I feel the younger wrestlers with less experience showed a lot of improvement throughout the year, while the experienced wrestlers continued to win, as we expected. Even though the team never received a tournament championship this year you have to be proud of the high finishes we had at the State tournament. It was an enjoyable year." The Andover Student Body is proud of you Coach Alley. Keep up the good work.

Starting out in a new sport can prove to be a difficult transition for all who are involved. However, many positive things have resulted from Andover's first year in 1987. Despite its losing record, the team was very competitive with the other more-experienced teams. Our players demonstrated a great deal of hustle, determination and a "never-say-die" attitude throughout the season. With the game experience received from this year's sophomores and juniors supported by a junior varsity team that neared the .500 mark, next year should prove to be an outstanding one.

THE ROAD TO STATE

The '87 track season was filled with ups and downs. The team displayed flashes of brilliance in all areas of competition. Paul Raehpour and Todd Brown were a great duo in the shotput and discus. Joyce Borg excelled in the javelin throw. The foursome of Layton Strong, Bill Martin, Jason Stuart, and Brian Kirkland won honors in both individual sprints and relays. Melissa Ewing was the team's best hurdler. Andover sent entries in four events to state.

ITS IN THE BAG

Once again the Andover golfers had it "In the Bag". Even though the team wasn't expected to do well, due to the loss of previous members, they came through with a winning season. With hours of practice at Hidden Lakes Club the Trojan golfers were in full swing, taking two first places and capturing a third place victory at League. The Junior Varsity golfers stuck it out to the end of an impressive year. Coach Snyder commented, "The team performed way above my expectations and I'm really looking forward to next year because many will be returning. Overall I feel it's been a successful and fun year."

The 1986-1987 Cheerleaders have done a lot to improve their squad. During the summer previous to the school year, they attended a DCA Cheerleading Camp at Emporia State. The hours were long, up to 12 a day, but they managed in bringing home several new cheers, two routines, and innumberable chants. Their hard work obviously paid off because they were awarded Superior ratings in four categories: Outstanding Spirit, outstanding jumps and stunts, outstanding cheering skill, and a supersquad ribbon. They worked to boost school spirit by making many posters and performing at pep assemblies. Unfortunately, crowd enthusiasm left something to be desired, so pep assemblies were cancelled for the remainder of the year. This year also marked the first year for a JV Football and a JV Basketball squad. Hopefully, future squads will work as hard to instill school spirit.

Besides half-time performances, the AHS Trojanettes have certainly had a very busy year. Not only do they sometimes practice over five times a week, but they also attend camp in the summer. All this practice once again paid off. They were awarded with the Sweepstakes trophy and Awards of Excellence for Precision Drill and Spirit Pom. Besides home games the Trojanettes also performed at a Wichita Wings game, Kansas State University, State Wrestling and Wichita River Festival. Individual awards this year include Superstar Girl nominees, Stacey Moore and Annette Wielert. Captains Kim Barents and Christy Walters were awarded with the Outstanding Leadership Award. Annette Wielert also took part in the Aloha Bowl in Hawaii, and also performed in Ireland's St. Patrick's Day Parade. Captain Kim Barents said this about the 1986-87 squad; "It's been an exciting and memorable year and I really enjoyed working with this years squad."

ANDOVER F.C.A. HUDDLE

"Trust in the Lord with all your heart and lean not on your own understanding, in all of your ways acknowledge Him and He will make your paths straight" Proverbs 3:5&6. This was the key verse for the members of the F.C.A. which focused on unity and the importance of a strong prayer life. F.C.A. also had many guest speakers come and share some exciting, encouraging messages. The 1986-87 year had many highlights in it for the huddle. One being it was named "Outstanding High School Huddle of the Year." Sponsors Donovan Regehr, Doug Snyder, and Rick Johnson, should be commended for their many hours of work and prayer that went into leading the group. Alas, though, if anyone in the huddle was asked who should receive the credit for the accomplishments the group has obtained, they would direct the credit back to Jesus Christ, the center of their group. OFF THE WALL

THERE IS NO MERCY . . . IN THE THEATER WORLD

Once again it has been an exciting year for drama and speech students. The year got off to a great start with the Advanced Theater performing childrens books to enthusiastic first and second graders. In the fall both beginning and advanced classes performed for the public as well as the student body. Andover was also successful at forensic contests again. Several students earned a forensic letter by receiving a I rating at State. Other students earned letters by performing 75 speeches and accumulating 10 production hours. Production hours can be earned several ways. For example, prop hunting at the DAV, doing the lights, helping with the curtains and helping put on some of the elementary school production were some of the major ways to earn production time.

Several funny incidents also occurred during the year; for example, Ross's blowout, the lost bus driver and Clay's Mick Jagger imitation.

Forensics Night was also a success with one of the best turnouts ever. Friends and family as well as students turned out to enjoy a huge potluck dinner then proceeded to the auditorium where they were entertained by contest participants.

Mrs. Ramp said she enjoyed working with this year's classes and thought everyone did an excellent job representing Andover High School.

EPIC STAFF -REACHING FOR OUTER LIMITS

My first year as yearbook sponsor has been quite an experience, especially after arriving six weeks late. I think it took me until about the end of the first semester to figure out what was going on. THE STARS COME OUT . . . VARIETY TIME '87

A tradition was started this year with the advent of "Variety Time '87", a talent show put on by the AHS Student Council. Of the seven acts entered this year, winners of $40.00 were David Cordry, Isaac Bell and Derek Carter with their "Church Chat", a take-off on the Saturday Night Live skit of the same name. The $25.00 second prize went to "Wesley Coltrane and the 3-D Cats", a band which included Shad Rockstad, Jason Van Landingham, David Sewell, David Larson and David Soloman. The $15.00 third prize went to the Senior Trojanettes Christy Walters, Audrie Ana Galvan, Christy Sanders, Kim Barents, Diane Romaglia, Kim Harmon, Donna Woodall, and Lori Williams for their performance.

Other acts included, Paul Raehpour and Clinton Wolf's rendition of the Classic Abbott and Costello skit, "Who's On First"; a piano solo by Keri Wohlford; a pantomine by "The Beastie Girls", Melissa Ewing, Kelli Martin and Nicole Moore; and a skit called "My Pants Are Too Tight" written and performed by Sandy Wayland and Lori Williams. The show was MC'd by Clay and Stacey Moore.

Carol Williams, Student Council Sponsor, noted that "former attempts by Student Council to stage a variety show lacked the support of the Student Body necessary for success. Despite the disappointment, members were enthusiastic about trying again this year. Thanks to the students who were willing to share their talent, Variety Time '87 was a success." Encouraged by the success of Variety Time '87 Student Council hopes Variety Time '88 will prove even better.

Sing Ye Merrily
Madrigal Feaste 1986

Front Row: Kandi Conger, Steve Brummer, Tracey Lawrence, Craig Schmitz, Donna Woodall and, Back Row: Tracy McElroy, John Peckham, Tricia Power, Benji Lawrence, Darcy Stephenson and David Beaver "sing merrily" during the Madrigal Feaste.

The Fifth Annual Madrigal Feaste was held December 6, 1986. The seven course Feaste was accompanied by the singing and dancing of jesters, jugglers and the Madrigals.

The meal included wassail, potato soup, bread and cheese, salad, roast beef, baked potatoes, green beans and pudding. The Feaste was served in courses throughout the evening. "Wassail", the drink served with the meal was the old Anglo-Saxon drinking pledge which means, "be in good health."

Dancers, ensembles, solos, jesters and jugglers entertained the guests while they ate. The Madrigals gave a concert as the eighth course of the meal.

Madrigal singing was brought to England from Italy in the 16th century during the Renaissance. It was at first an informal type of private entertainment at the castles of the lords. At times the lords and ladies performed the music themselves as they sat at dinner in the Great Hall.

Caroles sung by the Madrigals included; Willie Take Your Little Drum, Bring a Torch Jeanette Isabella, Carol of the Bells, Coventry Carol, Patapan, Mexican Christmas Procession, O Come All Ye Faithful, God Rest Ye Merry Gentlemen, Good Christian Men Rejoice, Adam and the Apple, Carol of the Birds, Masters in this Hall and Fum, Fum, Fum.

Entertainment during dinner was provided by Nancy Dain and Tom Stiglich as trumpeters. Heidi Schomaker and Stacey Moore were dancers and jesters were Colleen Loeffler, Heather Woodall, Scott Pitts and Jon Jacobson. Recorders and flutes were played by Colleen Loeffler, Kim Kaplan, Heidi Schomaker and Wendy Gardner. Cooks for the Feaste were Lenora Diller, Carol Gardner, Effie Hartness, Joyce Land, Joy Kellogg, Wanda McConnell, Faye McDonald and Tom Musick.

Mr. Roy Wright, Director of the Madrigals, originated the Feaste in 1982.

SPRINGTIME

This year's prom goers were greeted by the sights and sounds of "Paris in Springtime". Tissue flowers and balloons surrounded the dancers as they greeted each other comparing new dresses and tuxedoes. Many couples also slipped out for a romantic stroll along the Arkansas River. The Keeper of the Plains and Wichita's skyline provided a scenic backdrop. Although there were mixed reviews about the prom, most said they enjoyed themselves and liked the vast amount of space to roam. Thank you Juniors for your efforts and time put in to the prom.

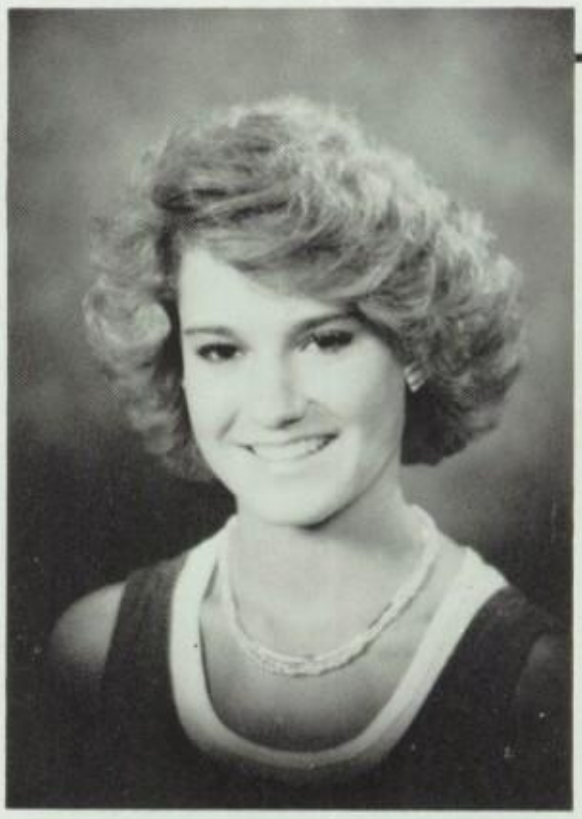
WHEN DREAMS COME TRUE THE SKY IS THE LIMIT



"Education is not received, it is achieved" " Anonymous

Valedictorian
Diane Romaglia

"I am very proud to represent you as Valedictorian. When I first came to Andover three semesters ago, I was nervous about being accepted and fitting in. Although I tried not to show it, those first few weeks were really tough. I want to thank you for letting me in and making me feel a part of this class."

I also want to thank each of you for making our class of 1987 what it is. Honestly, I find our class remarkable and I don't want you to think I am being biased. Remember, I came from a school four times as large as AHS, and I truly wondered if I would like my new school. Looking at individuals, I saw the same kinds of students as at any other high school. Looking at the class as a whole, I saw an outstanding group. Where else can you find a group of individuals so diversified in talent as well as personality that produced so many close friendships and a general sense of togetherness. Just in the short time that I have been here this class has grown very special to me.

The friends we have made, the fun we have had, the things we learned are all unique to Andover and our class of 1987. Our class as a whole has contributed to making each of us what we are and I am very thankful to have been a part of it."

Diane's accomplishments include: freshman and sophomore years; concert and marching band, track, pom pon squad and yearbook staff. Her junior and senior year accomplishments are: pom pon squad, cross country, track and jazz band at Andover High School, Student Council Senior Representative, Trojanettes and track. Other honors Diane has received include: Kansas Honor Scholar, Governor's Award, KU Honor Student and Student of the Month. Diane will enter the United States Air Force Academy at Colorado Springs, Colorado in the Fall of this year.

Salutatorian
Kim Harmon

"My thirteen years Andover will always be very special to me. I've had great times and hard times, good times and bad.

Andover has given me many opportunities to challenge myself and grow. It wasn't always easy to stick with an activity. Many times the pressure became almost unbearable. I found out that it's not wise to mix volleyball and Trojanettes and crosscountry taught me that it is possible to run the unseemly distance of eight miles. I know that these and my many other experiences have prepared me well for what's ahead.

I'll be entering the United States Air Force Academy as a member of the Class of 1991. It will be the biggest challenge of my life but I know that I am ready to meet the future."

Kim's accomplishments include: KU Honor Scholar, Governor's Scholar, State of Kansas Scholar, Delegate to World Affairs Seminar, Girls State Delegate and Who's Who. She has been on the honor roll every semester.

Other activities include: track four years, letter in cross-country one year, Trojanettes three years, band two years, Student Council, two years as Student Body Vice President, and president of UMYF youth group for three years.

Thirteen year seniors from front left to right: Joyce Borg, Denise Cole, Amy Oliver, Ufonda Helton. Second row, Terri Sawdy, Sand Wayland, Paula Land third row, Kathy Bayer, Traci Boone, Lesa Matson, Trisha Robinson, Alysa Kuether, fourth row, Tiff Trekell, Mat Goering, Layton Strong, Todd Brown, Andy Hamlin, Matt Cartwright (not a 13 year senior) and Teresa Potenza. At top, Mike Wondra (We realize many of the 13 year seniors are not pictured — these are the ones who showed up when the photo was taken!!!)

PAST, PRESENT, AND FUTURE,

13 YEAR SENIORS HAVE SEEN IT ALL

My 13 years at Andover were . . .

Tim Mullins-It was a great life.
Tiff Trekell-Real, and they were fun, but they weren't real fun.
Mike Wondra-9 years of putting up with Mr. Gillespie, and then 4 years of partying so hard that I forgot why I even started school.
Sandi Wayland-The most wonderful, glorious years of life.
David Halverson-I can't think of anything so it couldn't have been that great.
Todd Brown-It was **!@#!
Clinton Hromek-Better than working for BFI trash service.
Jeff Caballero-Better than getting stuck in a BFI trash can.
Matt Goering- I would like to tell you how much I've LOVED it here, but I can't for fear that someone might believe me!
Denise Cole-Well it's a matter of opinion! You don't want to hear mine!!!
Steve Brummer-Wasn't to bad, but I would never go through it a again.
Angie Tiernan-Okay, once I got a car and could go to Wichita.
Shannon Grate-Like spilling a mixture of turpentine and gasoline on an open wound.
Terri Sawdy-So much fun that I wish I could do it all over again!Ha!
Christy Walters-The 6th through the 18th years of my life.
Jason Gill- For the most part they were good!
Lesa Matson-Definitely an experience that I'll never forget and never want to repeat.
Layton Strong-3 years of fun, 10 years that were not fun.
Teresa Borg-A long 13 years! But they were filled with many great memories and people that I thank the Lord I had an opportunity to be a part of.
Traci Boone-An experience, not overly exciting or boring, that I'll never forget.
Randy Elder-Good because of the small school. It was better than going to a large school where you might get lost.
Melodie Good-Lots of fun during High School, but if I had a choice, I wouldn't do it again.
Trisha Robinson-Boring!
Theresa Potenza-Filled with good and bad times that I will always remember.
Ufonda Helton-Well, if I had it all to do over again-I guess I would.
Paula Land-A lot of long, hard work, with a lot of funtimes.

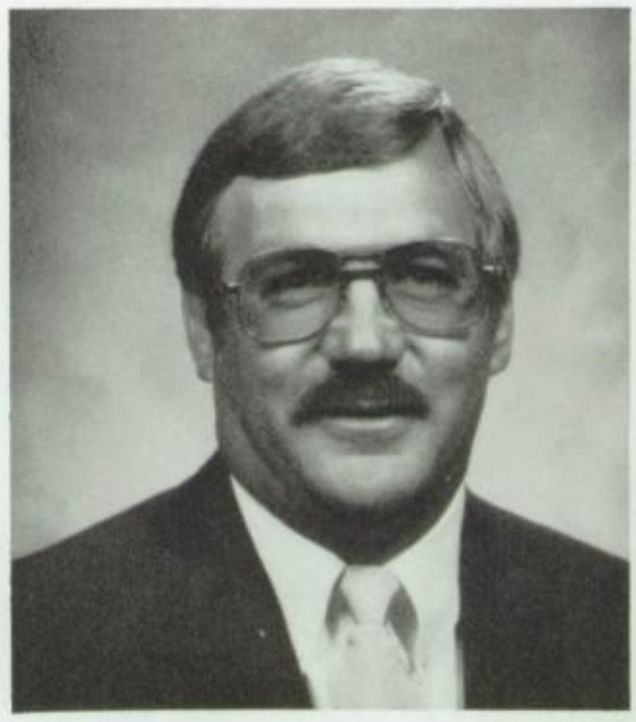
Mr. Dale Downing
20th Year At Andover

"As the year comes to a close, I find that in the 20 years I have spent at Andover, each year seems to be more challenging. We have grown from a small 3A High School to one of the largest 4A schools in the state. The Student Body has grown both in size and stature making Andover a super school."



Dr. Jerry Singer
Principal

"This has really been an outstanding school year. When you have the successful programs that we have at Andover High School it makes working enjoyable.

Andover has really been blessed with an outstanding group of students. We have many individuals who excell in both academic areas and in extracurricular activities. In addition to this we have a student body that is positive about themselves and the world they live in. People who possess these characteristics have a very bright future.

I am pleased to have the opportunity to work with such an outstanding group of people. It is exciting to look forward to sharing in the future success of our students."

A TRIBUTE TO KELLY KISER

Kiser's 3rd Hour Calculus Class 86-87

The Relativity of Kiser

It all started in our freshmen year.
When we met the man that caused such fear
In the hearts of many a football stud -
With a cry of "To the ditch!" he was out for blood.
And if he's that bad in football, than how terrible would he be
To the first freshmen class to ever take Geometry?
We were scared to death and in quite a fix,
Because in Algebra, we only got to chapter six.
We knew we were finished - good grades we'd see no more,
And suddenly, Killer Kiser strutted through the door.
He gave us formulas and theorems as we listened to him scream:
"Don't ask me why you're doing this - it's because the grass is green!"
He yelled at us for daydreaming and for stupid answers by the ton,
When we complained that math was useless, he would glare and say, "That's one!"
But as we listened to his trades, we were thinking all the while:
"Something's definitely wrong here - Kiser can actually smile!"
In fact he seemed to like us - at least a little bit,
And he didn't seem that serious when we went into a fit.
He'd tell us we were lazy and we didn't like to think,
But he never seemed to mind when we showed up with food and drink.
And we soon began to realize that we weren't going to die.
Hard as it was to believe, Kiser was actually a nice guy.
He taught us about life and about the army's wrath.
And so we thank you, Mr. Kiser, for the Knowledge that you give,
And most of all for teaching us that it's all relative.

-Sandi Wayland

Congratulations to the Dirty Dozen:

Our house was busy and fun, first Stuco with Clay, our son.

Football was hectic with the Mikes, Matts, Jason, and Clark.

In baseball, Clinton and Shannon roam the park.

Layton, of course, took care of the hoops.

While Troy and David were always part of the troops.

Because of our guys, the past four years have flown,

Remember our house will always be a second home.

Statement of Philosophy:

TO MAXIMIZE THE POTENTIAL GIFTEDNESS OF EACH CHILD

We employ the Paideia method of teaching. This manner of teaching uses three modes: Didactic, Coaching, Socratic. We support parental involvement. Love ya always,
Ron

Dear Jen,

I hope that we are friends again by now. Either way, nothing is worth losing nine years of friendship over. I hope we will always be able to work things out!

Love always,
Steph

Heather —
You'll never believe it, but guess what hap ...
Hey, thanks for putting up with me!
Love,
Stace
PS. - Remember, Dinosaurs are extinct!

Mrs. Chapin -
Don't forget that the first year is always hectic.
Thanks for being patient with us.
Love,
Stacey
Oh Yeah,
Thanks for putting up with the candy mess!

To Kim,
I told myself I wouldn't go out with anyone again,
because someone always got hurt.
Then I met you
Out of the blue
We danced,
We talked,
Then we kissed
Then I knew you were for me.

Sure, we have had our problems
Doesn't everyone?
But we have always worked them out.
You're so special to me
I hope you can see
How much I love you.

Soon you'll be off to college
I won't know what to do
But to sit and wait for you
I just want you to know
You mean everything to me
And I will love you
Forever ..... and ever.

Love, Todd

Along with my own staff and the faculty, staff and students of AHS, I would like to thank all of you who helped in the creation of this yearbook. Special thanks go to the journalism class, particularly Traci Boone and Mrs. J. Williams, The Tiller family, Rashad Saed, David Beaver and anyone else who contributed pictures and Tom Dorsett who "pinch hit" as a photographer for us a couple of times.
If I have left anyone out, I apologize and again thank everyone. Next year as this year we encourage photo contributions and input from any member of the AHS family. This book is yours and we appreciate your involvement.
Thank you,
Julie Chapin

Thanks!
